## Monthly Report

List All Shuttles: None to report at this time

List All Promotions and awards: None to report as this time

List All Academy Graduates: None to report at this time due to the fact that the USS Commonwealth is not listed in the VRR Form or the STARFLEET Database at the present time.

Problems, Questions, Concerns: Failure from STARFLEET Headquarters to properly recognize the USS Commonwealth as a chapter restarting up. Have made several request to have the USS Commonwealth web site listed amongst the other chapters at the STARFLEET web site in the "Useful Links" area under the subcategory "STARFLEET Chapters". Also one crew member's chapter affiliation was not filled in when he received his membership packet from membership processing. He had place on his renews forms the USS Commonwealth NCC 74670. I'm confident that this is do to the fact that the USS Commonwealth does not yet exist on the STARFLEET VRR Form. I have instructed the crewmember not to worry about this at this time that when time comes for me to file the nesscary STARFLEET Headquarters paper work that he'll then be added to the crew roster of the USS Commonwealth and that STARFLEET HQ will then recognize the USS Commonwealth as an official chapter of STARFLEET The International Star Trek Fan Club Association, Inc..

List All Activities: Commanding Officer and crew are working on attaining more crew members for the USS Commonwealth via the "Unofficial" STARFLEET-List serve, STARFLEET Communique Newsletter, Region 1 Briefing Room List, SFI-Kentucky List, SFMCKY List, Channel One Newsletter, MyYearBook web site, MySpace web site, TrekSpace web site, and posting of USS Commonwealth recruiting flyers at the crews local libraries. Captain Cecil our commanding officer has created the USS Commonwealth web site and it is located at [usscommonwealth.org](http://usscommonwealth.org). We are looking into attending an upcoming comic/sci-fi convention called Wonderfest. Not only this convention but some others as well.
